Ayes: Trustee Hrejsa, Kapolnek, Milenkovic, Savopoulos and Torres

Absent: Trustee White

Mayor Walik declared the motion carried.

Prior to the vote Trustee Savopoulos remarked that this was added because of Airbnb rentals. There was a house here on the West side of the Village that was holding parties there and they were just renting it out. We added text to the ordinance to tighten it up.

Trustee Savopoulos moved, seconded by Trustee Hrejsa to Pass and Approve Ordinance 2018-07, "An Ordinance Amending Section 4.14 of the Village of Stickney Zoning Ordinance—1980, Village of Stickney, Illinois Regarding Land Divisions"

Upon the roll call, the following Trustees voted:

Ayes: Trustee Hrejsa, Kapolnek, Milenkovic, Savopoulos and Torres

Nays: None

Absent: Trustee White

Mayor Walik declared the motion carried.

Village Attorney Mike Del Galdo explained that on item 6 this cements the Village's regulatory authority. There is a bill in the General Assembly pending for the last year that would prohibit municipalities from regulating industries like Airbnbs. It would take away local control and restrictions. The Mayor, Trustee Savopoulos and the Zoning Board wanted to act quickly to protect the residents so if the state did pass it we would have our ordinance in place. Attorney Del Galdo then explained that item 7 is just cleaning up the zoning code. The codes are old and in the course of this year we will be updating these very old codes.

Trustee Kapolnek moved, duly seconded by Trustee Savopoulos to Approve Resolution 04-2018, "A Resolution Authorizing and Approving a Certain Agreement with Waste Management of Illinois, Inc. For the Village of Stickney"

Upon the roll call, the following Trustees voted:

Ayes: Trustee Hrejsa, Kapolnek, Milenkovic, Savopoulos and Torres

Nays: None

Absent: Trustee White

Mayor Walik declared the motion carried.

The mayor explained due to the increasing cost of labor, due to the cost that we lost \$900,000 in the last three years, due to the cost of two brand new garbage trucks, the Village and the Trustees cannot come up with \$1 million. To save on materials, fuel, repair costs we are going to outsource our garbage to Waste Management. It is a partnership with Waste Management. We had a committee together and selected Waste Management. This is going to be a great partnership. This board and myself, Public Works Supervisor Joe Lopez, police and fire if they need to help out. Nothing will interrupt this transition. Waste Management has already done the survey of the Village. They have a map and times for pickups. The information will come out on our web site, through Waste Management, and a partnership letter. Our Public Works Department will assist Waste Management for the first couple of weeks. We want this to be a nice transition.

At this point the people representing Waste Management spoke to the audience. Mr. Vaughn Kuerschner, Public Sector Representative, addressed the audience. He introduced Jim Gannon, District Manager from the Stickney facility. The Stickney facility will be picking up our refuse, recycling and yard waste on Wednesday, Thursdays and Fridays. All services will be done entirely on the same day. They are excited to have this opportunity. A draft of the brochure was given to the Mayor. A description of the services is explained in the handout. There will be a web site created specifically for the Village of Stickney. People can go in this web site if they have any questions. An informative letter will go out to the residents at the end of the week. Additional information was provided by Jim Gannon who has been with Waste Management for 23 years. We were told that the small blue recycling bin is being phased out. People are being asked to buy one of the tall recycling bins from the Village. The Mayor informed us that the Waste Management trucks have trackers. If you have a complaint, Waste Management can track their trucks. Stickney will be double checking during the transition. The Mayor asked Jim Gannon what the cost of a new truck is. He told us that he purchases all the trucks at his facility. He mentioned that their trucks are fueled by Natural Gas. A brand new truck is between \$300,000 to \$335,000 for one truck. A top of the line front loader with all the bells and whistles is \$354,000. Trustee Savopoulos reminded people that Stickney will have a truck available to pick up bulky items like TVs or couches and tires.

Trustee Savopoulos moved, duly seconded by Trustee Hrejsa to Approve Resolution 05-2018, "A Resolution Appointing a Certain Individual to the position of Deputy Clerk for the Village of Stickney"

Upon the roll call, the following Trustees voted:

Ayes: Trustee Hrejsa, Kapolnek, Milenkovic, Savopoulos and Torres

Nays: None

Absent: Trustee White

Mayor Walik declared the motion carried.

The Mayor explained that Clerk Audrey McAdams will be out in April and Beth will be helping out with the clerk position.

MAYOR'S REPORT: Mayor Walik mentioned that if you have a friend that has questions about the Waste Management transition, tell them to stop by. It will save money and wear and tear. No one will lose their jobs. It will give our guys more time to do their Public Works jobs like cleaning our parks, cleaning our streets or painting our curbs. They might be able to fix a small projects or fixing a curb or sidewalk. We will be keeping our Village clean and fresh.

CLERK'S REPORT: The next board meeting will be Wednesday, March 21, 2018 due to the Gubernatorial Primary Election on March 20. She went on to explain the early voting site. More information was given about finding out about the candidates, including the judges.

TRUSTEE REPORTS:

Trustee Kapolnek reported on a Village Sponsored dance on March 22, 2018 to be held at Saint Pius. This Sunday there will be a spaghetti luncheon at St. Pius X Church.

DEPARTMENT REPORTS:

Public Works Supervisor Joe Lopez assured the audience that no one in Public Works will lose their job. The only way that could happen is if people don't do their job or something bad happens. He explained that the Village is being split into three zones. There are seven of us. Each zone will have at least two guys. Another one will be a floater. Having zones will be a better fit for the Village. More work can be done. It will be easier to track the work. The guys have been assured that they will have a job. Supervisor Lopez explained that he will enforce the Village conditions. It will be work hard and be accountable. The street sweeping will take place on Monday and Tuesday. Leaf cleaning will be on Monday and Tuesday. He mentioned getting a leaf picker-upper instead of using the truck with the brush. The Mayor said there will be a notice going out on that. There will be Code Red. It is about keeping our streets and alleys clean. We are not out to write tickets. The first garbage pickup will be April 4. The first street cleaning will be April 9. Remember that Public Works is the backup to Waste Management.

Treasurer Paul Nosek explained that he went back to 2008 and discovered that revenue generated in garbage fees was about the same as 2017 but the cost just kept going up. The budget season is starting. He will be meeting with all our department heads. The numbers will be ready to go the last week in April. On March 19th we will start accepting Visa. We have two new ATM machines. One is in the Village Hall and one in the Police Station. It will help us with people who don't have a credit card to pay their bills. The Mayor injected the loss we experienced in garbage. The treasurer quoted that in FYE 2017 the loss to the Village was \$271,558.00; in 2016 it was \$351,190.00; 2015 it was \$344,000; 2014 it was \$322,792; 2013 it was \$294,814; and going back to 2008 it was \$232,766: We have been losing money on garbage for a long time.

Ordinance Activity Ordinance Control Total Activity Report for the months of July 1 – December 31, 2017. Ordinance Investigations: 1,454; Business License Investigations: 30; Violation Notices Issued: 23; Miscellaneous Details: 849; S.L.O. Tickets: 11; Parking Citations Issued: 496; Booted Vehicles: 10;

The Mayor asked for the Boot totals for February. Deputy Chief Jaczak explained that during the colder weather they focused their attention to Booting. That would be vehicles in town that had more than five outstanding tickets that they hadn't paid which were already past the court date. They had time to pay and they chose not to or couldn't. For the month of February we brought in \$45,000.00. Tickets and fines would have never been collected had it not been for the Boot program. Now that it is warming up the focus will shift to traffic. In addition, our most recent officer Michael Ciccone started on February 15. He was a former Lyons Police Officer. He had an abbreviated training and is excelling and doing a great job. We are in the process of hiring and vetting two additional police officers who will be going to the Chicago Police Academy. Deputy Chief Jaczak told us the he was the first one to go for his Narcan training. All officers will be trained in using Narcan which is an anti-opioid for overdoses. All officers will be carrying two in their vests. In addition, we are getting trained in tourniquet usage. This is all happening with the cooperation of Homeland Security to certify two of our officers and who will train everybody else.

Police Chief Babich added in a comment concerning the one auto theft that we had. A lady gave her car to a mechanic she didn't really know. He was not reputable. It put us in a position to have to put it in as stolen. He gave it up. The other thefts we have are a majority at the Jewel. They refused to change procedures of where the liquor is located. It makes it very hard for us to keep the thefts down.

There being no further business, Trustee Savopoulos moved, duly seconded by Trustee Kapolnek that the meeting be adjourned. Upon which the Board adopted the motion at 7:48 p.m.

Respectfully submitted,

Audrey McAdams, Village Clerk

EXHIBIT A

**RECIPROCAL REPORTING INTERGOVERNMENTAL AGREEMENT
BETWEEN THE VILLAGE OF STICKNEY AND THE BOARD OF EDUCATION OF
LYONS ELEMENTARY SCHOOL DISTRICT 103**

THIS AGREEMENT is made and entered into by and between the VILLAGE OF STICKNEY, Cook County, Illinois ("VILLAGE"), an Illinois Municipal Corporation, and **THE BOARD OF EDUCATION OF LYONS ELEMENTARY SCHOOL DISTRICT 103**, Cook County, Illinois ("DISTRICT"), an Illinois Public School District (collectively, the "Parties").

WHEREAS, this Agreement has been prepared to comply with Sections 10-20.14 and 22-20 of the Illinois School Code (105 ILCS 5/10-20.14, 5/22-20), Section 1-7 of the Juvenile Court Act of 1987 (705 ILCS 405/1-7), Section 6(a)(6.5) of the Illinois School Student Records Act (105 ILCS 10/6(a)(6,5)) and the Family Educational and Privacy Rights Act (20 U.S.C. 1232(g)); and

WHEREAS, DISTRICT and VILLAGE desire to approve and enter into a reciprocal reporting agreement pursuant to State and federal laws that imposed certain reporting requirements on local law enforcement agencies and public schools to enhance the cooperation, reporting and communications to improve the flow of information between educators and law enforcement personnel relating to violent or criminal activity by minor students in an effort to rehabilitate the offender, but also to protect the other students and school employees; and

WHEREAS, this Agreement is entered into and maintained in order to foster cooperation and improve the flow of information between DISTRICT and VILLAGE's local law enforcement agency (being the Stickney Police Department); and

WHEREAS, the cooperation and flow of information is essential to providing the safe, healthy and violence-free school environment to which all students are entitled, and which all students need to thrive and learn; and

WHEREAS, this Agreement is established after discussion among the undersigned, and with the input of DISTRICT's parent-teacher advisory committees, resulting in a consensus; and

WHEREAS, DISTRICT and VILLAGE need to have access to activities of minor students in and out of school, so that they may work together in an efficient manner to prevent, eliminate and discourage acts of crime, violence and intimidation, to promote the maintenance of discipline and safety in the schools, to promote safety in the community, and to facilitate the rehabilitation of students; and

WHEREAS, DISTRICT and VILLAGE are authorized to enter into this Agreement pursuant to Article VII, Section 10(a) of the Illinois Constitution of 1970 and the Intergovernmental Cooperation Act (5 ILCS 220/1 et seq.), and they have each determined that the approval of and entering into this Agreement is in the best interests of the public and the minor students who attend and the employees who work at DISTRICT.

NOW THEREFORE, in consideration of the foregoing and the mutual promises herein

contained, it is hereby mutually agreed by and between DISTRICT and VILLAGE as follows:

1. DISTRICT shall provide the Chief of Police of the Stickney Police Department (hereinafter "Police Chief") with a list of administrators to be contacted as needed. The list will contain regular and emergency telephone numbers for the administrators and will identify the particular types of problems for which particular administrators are to be contacted. The administrators identified in the list shall be considered the "Appropriate School Official," for purposes of Section 1-7(A)(8) of the Juvenile Court Act. 705 ILCS 405/1-7(A)(8).
2. The Police Chief shall provide DISTRICT with the names and titles of a primary contact (generally the assigned School Resource Officer) and two back-up contacts, who will have the primary responsibility for implementing these guidelines on behalf of the Stickney Police Department. Any person so designated by the Police Chief shall be considered an "Appropriate Law Enforcement Representative."
3. DISTRICT and Police Chief may, as they deem necessary and upon written notification, designate different persons to the respective positions of "Appropriate School Official" and "Appropriate Law Enforcement Representative."
4. Any Appropriate School Official and Appropriate Law Enforcement Official (collectively, the "Appropriate Officials") may communicate verbally with each other as deemed necessary. Said officials will arrange meetings, as needed, between school officials and individuals representing law enforcement to share information regarding criminal offenses committed by students consistent with this Agreement and to otherwise facilitate and review enforcement of this Agreement. Information and records shared at such meetings may be verbally communicated among said officials, except that Law Enforcement Records, as defined in Section 9(A), below, must be provided in writing. Information in written form may be transmitted among the Appropriate Officials by any agreed-upon method, including, but not limited to, United States mail, personal delivery or facsimile transmission, provided security safeguards are in place to ensure confidentiality.
5. DISTRICT and the Stickney Police Department acknowledge and agree to adhere to their statutory reporting responsibilities, as may be amended and as summarized in Exhibit "A", which is attached hereto and incorporated herein, and which duties are in addition to those set forth herein.
6. DISTRICT, acting through the Appropriate School Official, may report any alleged or suspected criminal acts of students to the Appropriate Law Enforcement Official. 1996 Ill. Atty. Gen. Op. 96-040. Such criminal activity is intended to include:
 - A. Sale or possession of illegal, controlled substances or other intoxicants;
 - B. Student activity involving weapons, items used as weapons or any impact or destructive device;
 - C. All cases involving gang activity;

D. Acts of vandalism;

E. Student activity involving a serious crime or felony, including:

i. Forcible felonies as defined in Section 2-8 of the Criminal Code (720 ILCS 5/2-8);

ii. Fights or violent activity which might reasonably carry over into the community;

iii. Abuse, neglect, lock-out and runaway situations; and

iv. Other activities involving students which threaten the safety of students or community members on or off campus.

7. Appropriate School Officials shall follow State and federal laws regarding school records. In addition, it is recognized that the reports and other information maintained by law enforcement officers working in the school are not student records. 105 ILCS 10/2(d). Further, for the purpose of the Family Educational Rights and Privacy Act (20 U.S.C. 1232g(a)(4)(B)(ii)), law enforcement officers working in the school shall be considered a law enforcement unit of the school, such that the records maintained by said law enforcement officers are not educational records.

8. Section 6(a)(6.5) of the Illinois School Student Records Act (105 ILCS 10/6(a)(6.5)), authorizes DISTRICT to release student record information to law enforcement officers when necessary for the discharge of their official duties prior to adjudication of the student and upon written certification that such records will not be disclosed to any other party, except as provided by law or order of court. In the event that such information is so provided, VILLAGE hereby agrees that all student record information disclosed and communications made under this paragraph are to remain confidential and will not be disclosed to any other party, except as provided by State law or order of court. This provision is intended, among other things, to satisfy the written certification requirement of Section 6(a)(6.5) of the Illinois School Student Records Act and the Family Educational Rights and Privacy Act (20 U.S.C. 1232(g)).

9. It is understood that the Stickney Police Department and all Appropriate Law Enforcement Representatives will comply with applicable State and federal law in implementing these procedures and that they may:

A. Provide copies of Law Enforcement Records to the Appropriate School Official for persons under 18 years of age, who are enrolled in a school within the DISTRICT, pursuant to Section 1-7(A) when their use is needed for good cause and with an order from the juvenile court, or Section 1-7(A)(8) of the Juvenile Court Act of 1987 (705 ILCS 405/1-7(A)(8)), only if the student has been arrested or taken into custody for one of the following offenses, provided that the Stickney Police Department or officer believes that there is an imminent threat of physical harm to students, school personnel, or others who are present in the school or on school grounds:

- i. Any violation of Article 24 of the Criminal Code of 1961 or the Criminal Code of 2012 (720 ILCS 5/24-1 et seq.);
- ii. A violation of the Illinois Controlled Substance Act (720 ILCS 570/100 et seq.);
- iii. A violation of the Cannabis Control Act (720 ILCS 550/1 et seq.);
- iv. A forcible felony as defined in Section 2-8 of the Criminal Code of 1961 or the Criminal Code of 2012 (720 ILCS 5/2-8);
- v. A violation of the Methamphetamine Control and Community Protection Act (720 ILCS 646/1 et seq.);
- vi. A violation of the Sections 26.5-1, 26.5-2 and 26.5-3 of the Harassing and Obscene Communications Act (720 ILCS 5/26.5-0.1 et. seq.);
- vii. A violation of the Hazing Act (720 ILCS 5/12C-50); or
- viii. A violation of Section 12-1, 12-2, 12-3, 12-3.05, 12-3.1, 12-3.2, 12-3.4, 12-3.5, 12-5, 12-7.3, 12-7.4, 12-7.5, 25-1, or 25-5 of the Criminal Code of 1961 or the Criminal Code of 2012 (720 ILCS 5/).

The limitations of this paragraph shall be deemed to be expanded or further restricted in accordance with any subsequent amendments to Sections 1-7(8) and/or 5/905(1)(h) of the Juvenile Court Act of 1987 (705 ILCS 405/1-7(8) and/or 405/5-905(1)(h)) or other relevant laws.

The information derived from the law enforcement records shall be kept separate from and shall not become a part of the official school record of that minor student and shall not be a public record. The information shall be used solely by the Appropriate School Official or Officials to aid in the proper rehabilitation of the minor student and to protect the safety of students and employees in the school. If the Appropriate Officials deem it to be in the best interest of the minor student, the student may be referred to in-school or community-based social services if those services are available. Rehabilitation services may include interventions by school support personnel, evaluation for eligibility for special education, referrals to community-based agencies such as youth services, behavioral healthcare service providers, drug and alcohol prevention or treatment programs, and other interventions as deemed appropriate for the student.

Any information provided to Appropriate School Officials whom the school has determined to have a legitimate educational or safety interest by the Stickney Police Department about a minor who is the subject of a current police investigation that is directly related to school safety shall consist of oral information only, and not written law enforcement records, and shall be used solely by the Appropriate School Official or Officials to protect the safety of students and employees in the school and aid in the

proper rehabilitation of the child. The information derived orally from the Stickney Police Department shall be kept separate from and shall not become a part of the official school record of the student and shall not be a public record.

- B. Provide copies to, or authorize inspection by the Appropriate School Official, pursuant to Section 2.15 of the Freedom of Information Act (5 ILCS 140/2.15), of the following records for persons of 18 years of age or older, who are enrolled in a school within DISTRICT:
- i. Chronologically maintained arrest information, such as traditional arrest logs or blotters; and
 - ii. The name of the person in custody of the Police Department and the charges for which the person is being held.
10. All information disclosed and communications made under this policy are to remain confidential and shall not be disclosed or made available in any form to any other person or agency outside of this Agreement, except as specifically authorized by this Agreement or unless specifically authorized by law.
11. The responsibilities of the Appropriate School Officials and Appropriate Law Enforcement Officials under this Agreement shall include providing information pertaining to activities occurring in school, on school grounds, off school grounds, at school-related activities, or by or against school personnel.
12. Nothing in this Agreement is intended to limit or restrict the duty and authority of school personnel to request police services for disturbances or other emergencies occurring in or around any of its school buildings, nor is it intended to limit or restrict the duty or ability of any person attending or employed by DISTRICT to provide information or otherwise cooperate in law enforcement investigations, including but not limited to providing witness statements and testimony.
13. Where an activity reportable under this Agreement poses an imminent threat to the safety of students or community members, the information will be shared as soon as possible.
14. The Illinois Criminal Code and the Juvenile Court Act shall be incorporated herein as a reference for defining any terms in this Agreement.
15. It is understood and agreed that neither party to this Agreement shall be legally liable for any negligent or wrongful acts either of commission or omission, chargeable to the other, unless such liability is imposed by law and this Agreement shall not be construed as seeking to enlarge or diminish any obligation or duty owed by one Party against the other Party or against third parties. The parties further agree to indemnify, reimburse and hold each other harmless against any and all liabilities, damages, claims, causes of action, costs, expenses and fees, including attorney fees, that either party incurs arising out of or occurring in connection with the other party's negligent, reckless or intentional misconduct.

16. Any notices required hereunder shall be delivered or served in writing the Parties as follows:

If to Stickney Police Department:

17. The agreements, covenants, terms and conditions contained herein may be amended only through written mutual consent of the Parties referencing this Agreement, and a copy of any such written amendment shall be attached to this Agreement.
18. This Agreement and any amendments thereto shall become effective when approved and executed by both Parties, and shall remain in effect from year to year thereafter unless either Party takes action to terminate the Agreement.
19. Either Party may terminate this Agreement any time during the term by providing the other Party thirty (30) calendar days prior written notice of such termination. The Parties may also terminate this Agreement by written mutual consent.
20. This Agreement may be executed in counterparts, each of which shall be an original, but all of which shall constitute one and the same instrument.
