**The Mayor explained that this will be for 40<sup>th</sup> Street from Oak Park to Home Avenue. We have been patching this street for six years. We are still working on 45<sup>th</sup> Street. There is a lot of paperwork between us, the State, the County and Forest View. There are Intergovernmental Agreements. All the money is in funds. This may not happen until May, 2020. Our engineer feels that if it gets too cold to do it this year the surface will be affected.**

**MAYOR'S REPORT:** He thanked the Trustees and the Clerk and all the volunteers. There were at least 12 volunteers turned away because we had too many. Sunday, September 8, is Grandparent's Day.

**CLERK'S REPORT:** The Clerk read a Proclamation dedicated to September as National Suicide Prevention + Action Month. The clerk read a Thank You note from Jose, Ana and Denise for inviting them to serve ice cream at Family Day. Another Thank You note was read from Emily Luthern, Sofia Peterson, Lenore Luthern-Bausch and Robert Bausch for the exceptional care the seniors receive here in Stickney.

**TRUSTEE REPORTS:**

**Trustee Hrejsa** reminded people of the Paws for Fall event on Saturday, September 14 from 1:00 p.m. to 3:00 p.m. at the pavilion at 41<sup>st</sup> and Ridgeland.

**Trustee Kapolnek** hoped that everyone enjoyed the bingo at Family Day. He reminded us that Saint Pius X will begin bingo on Saturday, September 7. It was another great fireworks display thanks to Koppers, Ante Debs and Del Galdo Law Group.

**Trustee Torres** thanked people for helping at Stickney Family Day. Everyone did their part. She also thanked the Police Department, Public Works and the Fire Department. Public Works Director Joe Lopez did an outstanding job with the cooking, buying the stuff, and shopping for the stuff. He kept in touch with us throughout the event as to how much of the food was left.

**Trustee Milenkovic** provided information on Operation Support Our Troops collection for the troops. Donations can be dropped off at the Village Hall through November 30. A list of items that we are accepting was given.

**Trustee Savopoulos** thanked everyone for coming up to him at Family Day and thanking him for his potato pancakes. He said he takes great pride in his potato pancakes. We went through almost 30 gallons. There were close to 900 pancakes made. He was sore the next day from holding the spatula. It was great fun!

**Trustee White** thanked the board and volunteers. Without the volunteers there would be no event. The Mayor kicks off the planning meetings in June.

**DEPARTMENT REPORTS:**

**Fire Chief Jeff Boyajian** thanked the Mayor and the board of trustees for allowing the fire department the opportunity to upgrade the 15-year-old MagnaGrip vehicle exhaust removal system. They are replacing all the existing hoses with 5 inch extreme high temperature (850 degrees) hoses with new nozzles, and exhaust boots. New sensors will be located within the MagnaGrip Nozzles which means the system will kick on almost immediately compared to being delayed due to the exhaust having to travel through 15 feet of hose as well as turning the system on remotely. They will be completed by the end of the week. In addition, the Division 11 SCBA (air Pack) Confidence Trailer is nearing completion and will be in service soon. Funds were provided by all seven communities that belong to Division 11, which consist

of the following communities: Berwyn, Cicero, Forest Park, North Riverside, Oak Park, River Forest and Stickney. Each of these communities along with a few of the other surrounding communities will be able to train in this trailer. It is intended to build confidence by wearing an air-pack in blackout conditions, and will have several challenges to simulate many different "hazards" (missing floors/wire entanglement/change in elevation/stairs, etc.) that are found throughout a building fire, without having to worry about any of the "hazards" of fire or smoke conditions. One more item was mentioned concerning the plans for a new driveway at the fire house.

Public Works Director Joe Lopez told us that the document shredding event on August 24 was well attended. They filled 13 of the 20 containers available to fill. A certificate will be provided as proof that everything has been shredded.

Police Chief Dan Babich went to Edison and Home School's Open House and provided the parents with instructions on how to drop off their kids for school. Handouts were given from the Police and Fire Departments concerning 9-1-1. We learned that at 7:30 a.m. this morning there was a break in at the car wash located at 4323 Harlem. A male black subject was seen leaving the scene. Our Ordinance Control Officer, Arturo Terrazas apprehended the subject at the Jewel Store parking lot. The guy accepted felony charges against him. It was a great job by the day shift. The guy tried to go through the roof to gain entry.

Trustee White thanked Ed Dabrowski for taking all the pictures at Family Day. And, when the clean-up crew arrived the morning after Family Day, Ed Bartunek had already cleaned up 99% of the grounds all by himself.

There being no further business, Trustee White moved, duly seconded by Trustee Savopoulos that the meeting be adjourned. Upon which the Board adopted the motion at 7:32 p.m.

Respectfully submitted,

Dear Sir or Madam,

Girl Scouts have been selling cookies for over 100 years! In our council, we have been sponsoring our Fall Product Program for at least 50 years that I am aware of! That's certainly something any organization can be proud of but something we could never do with our Girl Scouts without support from YOU! Whether you give us permission to be in your community, and/or purchased a box of Girl Scout Cookies® and/or supported our Fall Product Program, please know that **YOU** make a difference in girls' lives every time!

Our **Fall Product Program**, which consists of nuts, candy and magazines, gives our girls the opportunity to earn start-up money for their troops. . Most Girl Scouts participate in our Fall Product Program by asking family and friends for support but there are a few troops who host a booth site in a local business and still some who sell door to door.

**Fall Product order taking is from October 1-20, 2019, with delivery before Thanksgiving**

During our **Cookie Program**, our girls do much the same but participation is much higher which I'm sure you can attest to as you see Girl Scouts ringing doorbells, in front of your favorite store or at a neighborhood meeting. Our Cookie Program strengthens our girls' 5 Skills for Daily Life which are:

- ✓ Goal Setting
- ✓ Decision Making
- ✓ Money Management
- ✓ People Skills
- ✓ Business Ethics

**Cookie Program door to door order taking is from January 1-19, 2020, with delivery in February and cookie booths from Feb.-May.**

If your community requires us to apply for a permit, please see the Fall Product and Cookie detail sheet below. If that is sufficient information to process our request on behalf of our Girl Scouts, please simply check the box below and fax (815-723-3479) or scan ([smillard@girlscoutsgcnwi.org](mailto:smillard@girlscoutsgcnwi.org)) it back to Shari Millard.

If more information is needed before processing our permit request, please send the forms to Shari Millard and we'll be sure to fill them out and get them back to you right away.

We are among the largest councils in the country and because we have 50,000+ Girl Scouts, distribution of badges to individuals is not possible; however, your permit or letter of approval (in a PDF format) can be e-mailed to each girl and troop efficiently from our office.

Dear Ms. McAdams,

The world has tough problems - neighborhoods beset by violence and crime; families torn apart by addiction; children living with hunger, neglect or abuse; and people suffering from clinical depression, emotional and spiritual angst. These problems are the toughest of the tough, but The Salvation Army meets them head on, all year round.

We consider it an honor and a privilege to partner with community leaders to serve the most vulnerable in our neighborhoods.

We are requesting your community's approval to conduct our annual Red Kettle Campaign and our intent to seek permission from private property owners regarding collections of funds in front of their establishments.

**RED KETTLE CAMPAIGN: Monday - Saturday, November 1<sup>st</sup> - December 24<sup>th</sup>, 2019**

Enclosed is a confirmation form. Please take a couple minutes to fill it out and email or fax it back to us at the email address/fax number on the form. It is important that you specify any requirements or notes you'd like us to acknowledge. Also, please be sure to keep a copy for your records.

For any additional information, please feel free to call me at: 773.205.3254 or email [jeff.robey@usc.salvationarmy.org](mailto:jeff.robey@usc.salvationarmy.org). We look forward to another successful Christmas season with the support of your community. Thank you.

Mr. Jeff Walik  
Village President  
Stickney, IL 60402

Dear Mr. Walik,

On Friday October 11th and Saturday October 12th, the Stickney Forest View Lions Club will solicit funds to help humanity. Our primary goal is to eliminate blindness from the world in our lifetime and to help the hearing impaired.

No matter the amount of the donation received, those giving will receive a packet of traditional flavored candy.

We ask that you give us the Village's permission to solicit funds throughout the Streets of the community. As you know, we will be "shaking our cans" and offering candy for a donation.

A copy of the liability insurance is attached.

*Thank you in advance for your anticipated permission.*

Sincerely,

Alan J. Brinker
