Upon the roll call, the following Trustees voted:

Ayes: Lazansky, Mares, Morelli, Schimel, Walik and Zeedyk

Nays: None

President O'Reilly declared the motion carried.

President O'Reilly asked the board to refer to their packet information about the landscape agreement with AT&T. The Village never had such an agreement. The agreement would cover the required landscaping around the cabinets AT&T is installing in various areas of the Village. After discussion with Attorney Kusper, it was decided that each Trustee should be polled as to which of the three options AT&T offered they would like. Trustees Lazansky, Morelli, Schimel, Walik and Zeedyk chose Option 1. Trustee Mares chose Option 3. In Option 1, AT&T does site visits with the village and determines which sites will require landscaping and AT&T will put those sites out to bid with one of their landscaping contractors. AT&T will pay for the cost of landscaping and be responsible for the first three waterings and then the responsibility of on-going maintenance would be on the village. The plant material will be guaranteed for one year, provided the village adequately maintains the vegetation. Option 3, would provide the village a stipend of \$1500.00 for each cabinet constructed in the village. The village would assume all responsibility for the plantings and on-going maintenance of those sites.

Trustee Morelli moved, duly seconded by Trustee Lazansky to agree to Option 1 of the Landscape Agreement with AT&T for the landscaping of the areas around the Lightspeed Cabinets they are installing in various areas of the Village.

Upon the roll call, the following Trustees voted:

Ayes: Lazansky, Mares, Morelli, Schimel, Walik and Zeedyk

Nays: None

President O'Reilly declared the motion carried.

Trustee Morelli moved, duly seconded by Trustee Walik to approve a request from Misericordia to conduct their annual "Tag Days" on Friday, April 23, and Saturday, April 24, 2010.

Upon the roll call, the following Trustees voted:

Ayes: Lazansky, Mares, Morelli, Schimel, Walik and Zeedyk

Nays: None

President O'Reilly declared the motion carried.

CLERKS REPORT: There was a request from The Salvation Army to conduct their Donut Day Fundraising Campaign on June 4 and 5, which arrived after this agenda was posted. They were requesting confirmation by April 2, 2010. Therefore the clerk asked that the board consider the request prior to the next board meeting.

Trustee Morelli moved, duly seconded by Trustee Walik to approve the request from The Salvation Army to conduct their Donut Day Fundraising Campaign on June 4th and 5th. This is with the condition that they produce their proof of insurance and hold harmless.

Upon the roll call, the following Trustees voted:

Ayes: Lazansky, Mares, Morelli, Schimel, Walik and Zeedyk

Nays: None

President O'Reilly declared the motion carried.

The clerk continued with information on the 2010 Census. It was noted that the forms may have a different community posted in the address. There actually is a bar code on each questionnaire that identifies each address. The purpose of the community listed on the mailings was for the printer to ensure that a valid placename be associated with the zip code that is used in order to receive a postage discount and stream lining of delivery. Additional information was provided about the enumeration of the people living at the Hawthorne Race Track.

TRUSTEE REPORTS:

Trustee Schimel reported on the continuations of the foreclosures in the Village. A new addition to the list is at 6507 41st Street. The home at 4103 Wisconsin has been demolished and a new set of plans are expected within days. The home at 4029 Euclid was sold for demolition. A unique situation occurred when the bank that owned it sold it to another bank. He has no clue where it stands at this point. The process may have to start all over again with the new bank.

Trustee Walik spoke about the Village's recognition of Arbor Day on April 30. He reminded us to submit names for the tree lottery if they would like a tree planted by the Village. The drawing will take place at the April 6th board meeting. Trustee Schimel asked what kind of tree it will be. Trustee Walik responded that he is still working with the Village's arborist in making the selections.

Trustee Zeedyk informed us of the quote he received from Andreas Cement for replacement of sidewalks near Home School.. This would be a 50/50 arrangement with Lyons School District 103. The price is \$16,896. He will introduce this for budget consideration. Trustee Zeedyk also read a letter concerning a lawsuit he filed against the Village for false allegations when he was an auxiliary police officer prior to his election . It was dismissed and a reduced legal fee was paid. No settlement was received by Trustee Zeedyk.

DEPARTMENT REPORTS:

Fire Chief Meyer advised us to change our clocks and change the batteries in our smoke detectors. He also suggested that people test their smoke and C/O detectors every month.

Police Chief Kretch provided some interesting information about a robbery that took place on March 2, at the TCF Bank in Stickney, at approximately 7:30 p.m. The female robber handed a note to a teller. He described the mutual cooperative activities that took place with our adjoining communities. A North Riverside officer recognized the description and radioed that they had a similar robbery at their TCF Bank. The offender got away in a taxi

cab. An alert Lyons officer recognized a taxi cab in the area and pulled it over in front of the Berwyn Fruit Market. The offender climbed over the seat and placed a knife to the throat of the driver telling him not to stop. He did stop and the offender was apprehended. Riverside also helped in the incident.

AUDIENCE QUESTIONS:

Mrs. Penny Gibas of 4425 Wisconsin questioned the \$69,000 Justice Assistance Grant that was approved at the previous meeting. President O'Reilly explained that this Federal Stimulus Grant is handled by the county. The county is in charge of dividing the money throughout the municipalities. We are now in the process to apply for it. There is a timeline that is required. It is similar to a grant we applied for in November for \$13,000 for tactical activity in the summer. President O'Reilly confirmed that both grants go to our police department

Mrs. Bea Callahan, of 4126 Grove Ave. acknowledged that her question pertaining to the 2010 Census had already been answered by the clerk.

There being no further business, Trustee Lazansky moved, duly seconded by Trustee Walik that the meeting be adjourned. Upon which the Board adopted the motion at 7:34 p.m.

Respectfully submitted,

Audrey McAdams

Re: **Street Rehabilitation – Phase 3**

Madam & Gentlemen:

Enclosed is a copy of the "Tabulation of Bids" for the bids that were received and opened for the above-referenced project on March 16, 2010, at 7:00 p.m. Ten (10) bids were received and checked for accuracy. Our review of the bids discovered some minor errors, which were corrected. These corrections, however, did not affect the resultant low bidder as shown.

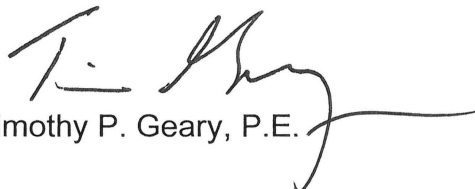

The low bidder was Orange Crush LLC, submitting a bid in the amount of \$1,038,472.00, which was \$311,815.50 (23.09%) below the Engineer's Estimate of \$1,350,287.50.

Orange Crush LLC satisfactorily performed the work on last year's Phase 2 project. Therefore, we recommend that the Contract be awarded to **Orange Crush LLC, 321 S. Center Street, Hillside, IL. 60162**, in the amount of **\$1,038,472.00**.

Please call if you have any questions regarding this matter.

Sincerely,

FRANK NOVOTNY & ASSOCIATES, INC.

WHEREAS: in 1968, the American Telephone and Telegraph Company (AT&T) announced that it would establish the digits 9-1-1 as the emergency code throughout the United States;

WHEREAS: 9-1-1 was designated by Congress as the national emergency call number under the Wireless Communications and Public Safety Act of 1999 (P.L. 106-81);

WHEREAS: the ENHANCE 9-1-1 Act of 2004 (P.L. 108-494) established enhanced 9-1-1 as “a high national priority” as part of our Nation’s homeland security and public safety;

WHEREAS: it is important that policy makers at all levels of government understand the importance of 9-1-1, how the system works today and steps that are needed to modernize the 9-1-1 system;

WHEREAS: the 9-1-1 system is the connection between the eyes and ears of the public and the emergency response system in the U.S. and is often the first to know of emergencies of all magnitudes making 9-1-1 a significant homeland security asset;

WHEREAS: there are over 6,000 9-1-1 public safety answering points (PSAPs) serving more than 3,000 counties and parishes throughout the United States;

WHEREAS: PSAPs answer more than two hundred million 9-1-1 calls each year in the United States and a growing number of 9-1-1 calls are made using wireless and IP-based communications services;

WHEREAS: a growing segment of the population, including the deaf and hard of hearing and individuals with speech disabilities, are increasingly communicating with non-traditional text, video and instant messaging

communications services and expect these services to be able to connect directly to 9-1-1;

WHEREAS: the growth and variety of means of communications, including mobile and IP-based systems, impose challenges for accessing 9-1-1 and implementing enhanced 9-1-1 and require increased education and awareness about their capabilities;

WHEREAS: numerous other N-1-1 and 800 number services exist for non-emergency situations, including 2-1-1, 3-1-1, 5-1-1, 7-1-1, 8-1-1, poison control centers and mental health hotlines, and the public needs to be educated on when to use these services in addition to or instead of 9-1-1;

WHEREAS: people of all ages use 9-1-1 and it is critical to educate the public of all ages on the proper use of 9-1-1;

WHEREAS: senior citizens are at high risk for needing access to 9-1-1 and a large segment of this population is learning to use new technology;

WHEREAS: thousands of 9-1-1 calls are made every year by children properly trained on the use of 9-1-1 resulting in lives saved which underscores the critical importance of training children early in life about 9-1-1;

WHEREAS: there is widespread misuse of the 9-1-1 system, including pranks and non-emergency calls, which can result in costly and inefficient use of 9-1-1 and emergency response resources and need to reduce this practice;

WHEREAS: parents, teachers, and all other care givers need to play an active role in 9-1-1 education for children, but will do so only after being first educated themselves;

AN ORDINANCE AMENDING CHAPTER 50, "OFFENSES AND MISCELLANEOUS PROVISIONS," OF THE MUNICIPAL CODE OF THE VILLAGE OF STICKNEY BY ADDING, SECTIONS 50-32.1, 50-32.2, and 50-32.3.

BE IT ORDAINED BY THE PRESIDENT AND THE BOARD OF TRUSTEES OF THE VILLAGE OF STICKNEY, COOK COUNTY, ILLINOIS, A HOME RULE UNIT OF GOVERNMENT, AS FOLLOWS:

Section 1. Recitals. The facts and statements contained in the preamble to this Ordinance are found to be true and correct and are hereby adopted as part of this Ordinance.

Section 2. Adoption. Chapter 50, Article II, of the Municipal Code of the Village of Stickney shall be amended by the addition of Section 50-32.1, Section 50-32.2, and Section 50-32.3, which shall read as follows:

Sec. 50-32.1. Loitering.

(a) A person commits a violation if he or she loiters or prowls in a place, at a time, or in a manner not usual for law-abiding individuals under circumstances that warrant alarm for the safety of persons or property in the vicinity. Among the circumstances which may be considered in determining whether alarm is warranted is the fact that the person takes flight upon appearance of a police officer, refuses to identify himself or herself, or manifestly endeavors to

conceal himself or herself or any object. Unless flight by the person or other circumstances makes it impractical, a police officer shall, prior to any arrest for an offense under this Section, afford the person an opportunity to dispel any alarm which would otherwise be warranted, by requesting the person to identify himself or herself and to explain his or her presence or conduct. No person shall be convicted of an offense under this Section if the police officer did not comply with the preceding sentence, or if it appears at trial that the explanation given by the person was true and, if it had been believed by the police officer at the time, would have dispelled the alarm. Any police officer may arrest any person suspected of being a loiterer or prowler without a warrant if it reasonably appears that the delay in arresting the suspect caused by obtaining a warrant would result in the suspect's escape.

(b) It shall be unlawful for any person, after first being warned by a police officer, or where a "no loitering" sign or signs have been posted, to loiter, stand, sit or lie in or upon any public or quasi-public sidewalk, street, curb, cross-walk, walkway area, mall or that portion of private property utilized for public use, so as to hinder or obstruct unreasonably the free passage of pedestrians or vehicles thereon. It shall be unlawful for any person to block, obstruct or prevent free access to the entrance to any building open to the public.

(c) For the purpose of this Section, the following definition shall apply unless the context clearly indicates or requires a different meaning:

Public Place: An area generally visible to public view, including streets, sidewalks, bridges, alleys, plazas, parks, driveways, parking lots, automobiles (whether moving or not) and buildings open to the general public, including those which serve food or drink or provide entertainment, and the doorways and entrances to buildings or dwellings and the grounds enclosing them.

(d) Any person found liable of violating this Section shall be subject to a fine of not less than \$50.00 and not more than \$500.00 per violation.

Sec. 50-32.2. Gang Loitering.

(a) Whenever a police officer observes a member of a criminal street gang engaged in gang loitering with one or more other persons in any public place designated for the enforcement of this Section under subsection (b) below, the police officer shall, subject to all applicable procedures promulgated by the Chief of Police:

(1) Inform all persons that they are engaged in gang loitering with an area in which loitering by groups containing criminal street gang members is prohibited;

(2) Order all persons to disperse and remove themselves from within sight and hearing of the place at which the order was issued; and

(3) Inform those persons that they will be subject to arrest if they fail to obey the order promptly or engage in further gang loitering within sight or hearing of the place at which the order was issued during the next three hours.

(b) The Chief of Police shall, by written directive, designate areas of the Village in which the Chief has determined that enforcement of this Section is necessary because gang loitering has enabled criminal street gangs to establish control over identifiable areas, to intimidate others from entering those areas or to conceal illegal activities. Prior to making a determination under this division, the Chief shall consult as he or she deems appropriate with persons who are knowledgeable about the effects of gang activity in areas in which this Section may be enforced. The persons may include but need not be limited to members of the Police Department, or police departments of surrounding communities, with special training or experience related to criminal street gangs; other personnel of the Department or police departments of surrounding communities with particular knowledge of gang activities in the proposed designated area; elected and appointed officials of the area; community-based organizations; and participants in any Neighborhood Watch Program who are familiar with the area. The Chief of Police shall develop and implement procedures for the periodic review and update of designations made under this division.

(c) The Chief of Police shall by written directive promulgate procedures to prevent the enforcement of this Section against persons who are engaged in collective advocacy activities that are protected by the Constitution of the United States or the State of Illinois.

(d) For the purpose of this Section, the following definitions shall apply unless the context clearly indicates or requires a different meaning:

Criminal Gang Activity - The commission, attempted commission or solicitation of the following offenses listed in the following sections of the Criminal Code of 1961, being ILCS Ch. 720, Act 5, provided that the offenses are committed by two or more persons, or by an individual at the direction of or in association with any criminal street gang, with the specific intent to promote, further or assist in any criminal conduct by gang members:
