

Because of you, life doesn't stop!  
#VitalToLife

**Village of Stickney is interested in hosting a blood drive. We are working with Vitalant our local blood bank. For Vitalant to come out we need to identify 20 people to pledge to donate blood.**

A pledge to donate would mean that you would try to donate during the blood drive and help local hospital patients.

If you think, you may be able to donate please contact  
Ron Smith [rsmith@villageofstickney.com](mailto:rsmith@villageofstickney.com) or 630-235-3516

Please give him your name, email and phone number he will contact you back with the details of the blood drive.

Eligibility questions? Please contact Vitalant at 1-877 258 4825
